Highlight of Last Year:

As one of the largest machinery exhibition in South China region, the show has used 10 exhibition halls, with 200,000 sqm gross exhibition area. The show features high precision machineries and equipment. This year, Industrial IOT, Smart Production & Nuclear Tech Application Show are newly added. Exhibition zones include Sheet Metal & Laser, Tools & Mould Accessories, Mould & Metalworking, Plastics & Materials, Robol & 3D Printing, Packaging & Auxiliary Equipment, Diecasting & Foundry.

The 1600 exhibitors are mainly from Japan, Korea, Germany, Italy, the US, Switzerland, China, Taiwan & Hong Kong. SAR. DMP gathers well-renowned Robots and Intelligent Equipment manufacturers such as Wittmann Battenfeld from Austria, Haas from the US, Fanuc, Sodick, JSG, Star Seiki, Yushin, Mitsubishi & THK from Japan, showcasing state-of-the-art machines and technologies of the world. Over 130,000 buyers visited the show.

Gathering Well-known Manufacturers From Around the World

Machine Tools Exhibitors: Haas from USA, DMG Mori, Zeiss, Blum, Samick from Europe; Renishaw from the UK; Erowa from the Swiss; Sodick, Fanuc, Mitutoyo, Mitsubishi from Japan and more.

Plastics and Packaging Exhibitors: Arburt from Germany; Flowsan from Italy; Wittmann Battenfeld from Austria, Fanuc, Star Seiki, Sumitomo, Toyo, JSG, Yushin, Kawata, Matsui, Harmo & Tashima from Japan, Halten, L.K., Multitech, Formtec and more.

International (Dongguan) Metal Casting Show: Buhler from Swiss, Frech, Hishinuma from Japan, LK, Glory, Yan Hing, Chit Shun, Haitian, Larson, Ruida, Kashu, Shunking, Yaosheng, Day Zhao, Runxingli, Superband, Huazhi, Shangyi, just to name a few.

During the exhibition, Over 30 conferences and seminars were held such as One Belt One Road Summit, Machinery Industry Status Report, International Conference on Mould Materials and Parts Application, International Cutting Tool Festival.

Well-known Brands and Manufacturers Visited the Show

Over 30 associations, enterprises, institutes & total over 50 buyer groups visited the show. These well-known manufacturers included BYD, Foxconn, ASM, Bandai, GREE, Herald, Guangdong Xinho Electrical Appliance Holdings Co., Ltd. and Lianguan Group.

Buyers came from: China, Macau, HK, Taiwan, Japan, Malaysia, Indonesia, Singapore, Korea, US, Germany, Russia, Thailand, Mexico, Turkey, UK, Chile, Brazil, Australia, India, Peru, Philippines, Switzerland, Ukraine, Venezuela, Vietnam, Lao, Nigeria, Cote d’Ivoire, Mali, Congo, Ethiopia, Uganda, Kyrgyzstan, Pakistan, Austria, Spain, Italy, Iran, Saudi Arabia, Tunisia, France, Canada, Belgium and more.

Invitation to join “2020 China Greater Bay Area Industrial Expo”

Thank you for your continued support to Paper Communication Exhibition Services and DMP Show. In 2020, DMP will be held in its 23rd edition. Looking back at the past 23 years, the growth of DMP has never stopped. In 2018, the scale of the exhibition has expanded to 200,000 sqm, 8000 booths, 16000 visitors and 130000 visitors. DMP Show will provide a world-oriented display platform for the machinery manufacturing enterprises in South China and even the whole nation. In 2018, a cooperation agreement was signed with the China Machinery Industry Federation for the “One Belt and One Road” industrial marketing summit. Together, they will jointly promote the development of the machinery industry in Guangdong-Hong Kong-Macao Greater Bay Area and other countries along the “One Belt and One Road”.

As the development plan of Guangdong-Hong Kong-Macao Greater Bay Area is about to implement, taking advantage of the unique geographical location of Greater Bay Area, Hong Kong, Macau, Guangzhou, Shenzhen, Dongguan and other regions will jointly promote economic and industrial development. In this new era, technological development and intelligent manufacturing will undoubtedly become the general direction of future industrial development. In view of this, an expo covering high-end machinery manufacturers and large-scale intelligent equipment will be held.

With more than 30 years of exhibition experiences and customer database, Paper Communication Exhibition Services will hold the “DMP Greater Bay Area Industrial Expo” at the Shenzhen World Exhibition and Convention Center in November 2020. The scale is expected to reach 200,000 sqm. Your support is important to us. We sincerely hope that you and the associations will continue to work together with us to build a platform for the industrial equipment industry chain in Greater Bay Area, creating an international platform for technical exchanges, information sharing, and business opportunities for exhibitors and association members.

Scope of Exhibits

Mould & Metalworking Exhibition:
- Mould making machinery
- Metalworking machinery
- Robotic & Intelligent Equipment
- 3D Printing, Energy Saving products
- Laser Cutting, Laser cutting and equipment
- Metal Casting Show:
- Co-organized by Hong Kong Foundry Association
- Plastics & Packaging Exhibition:
- Injection moulding machine, Blow moulding machine, Extrusion machine, Bag making machine and Rubber machinery
- All kinds of materials and equipment for plastic processing
- Chemicals & Raw Materials for plastics products
- Sub-contracting services: Mould making, metal plastic products manufacturing, die-casting, foundry and electro-plating
